Please join us for one of our fantastic camps for our Canyon Hills Soccer Players (CHSA, Canyon United and Canyon FC)!!!

Canyon Hills Soccer has enlisted the services of Marc Smith, renowned head varsity coach at El Dorado High School, to run our 2011 camps again this year. Marc is well known for producing some of the best soccer talent in the area. Marc has assembled a group of the finest coaches around to assist and run the camp. We plan on making the camps even better this year with a new mix of trainers, training, and games.

This soccer camp is intended to provide a great learning environment for youth soccer players while maintaining a fun environment for the kids. The camp will consist of five days of training, covering all critical aspects of the game including attacking skills, shooting, finishing, possession, defensive tactics, and much more.
